Steps for Adding Pages & Sub-Pages

to your Weebly site

Every assignment gets its own page which is called a sub-page. For DED318 all sub-pages will be under either **PROJECTS** or **REVIEWS**. The assignment details will always tell you where to add the sub-page.

This symbol lets turn a page into a SUB-page and rearrange order of pages

On the computer
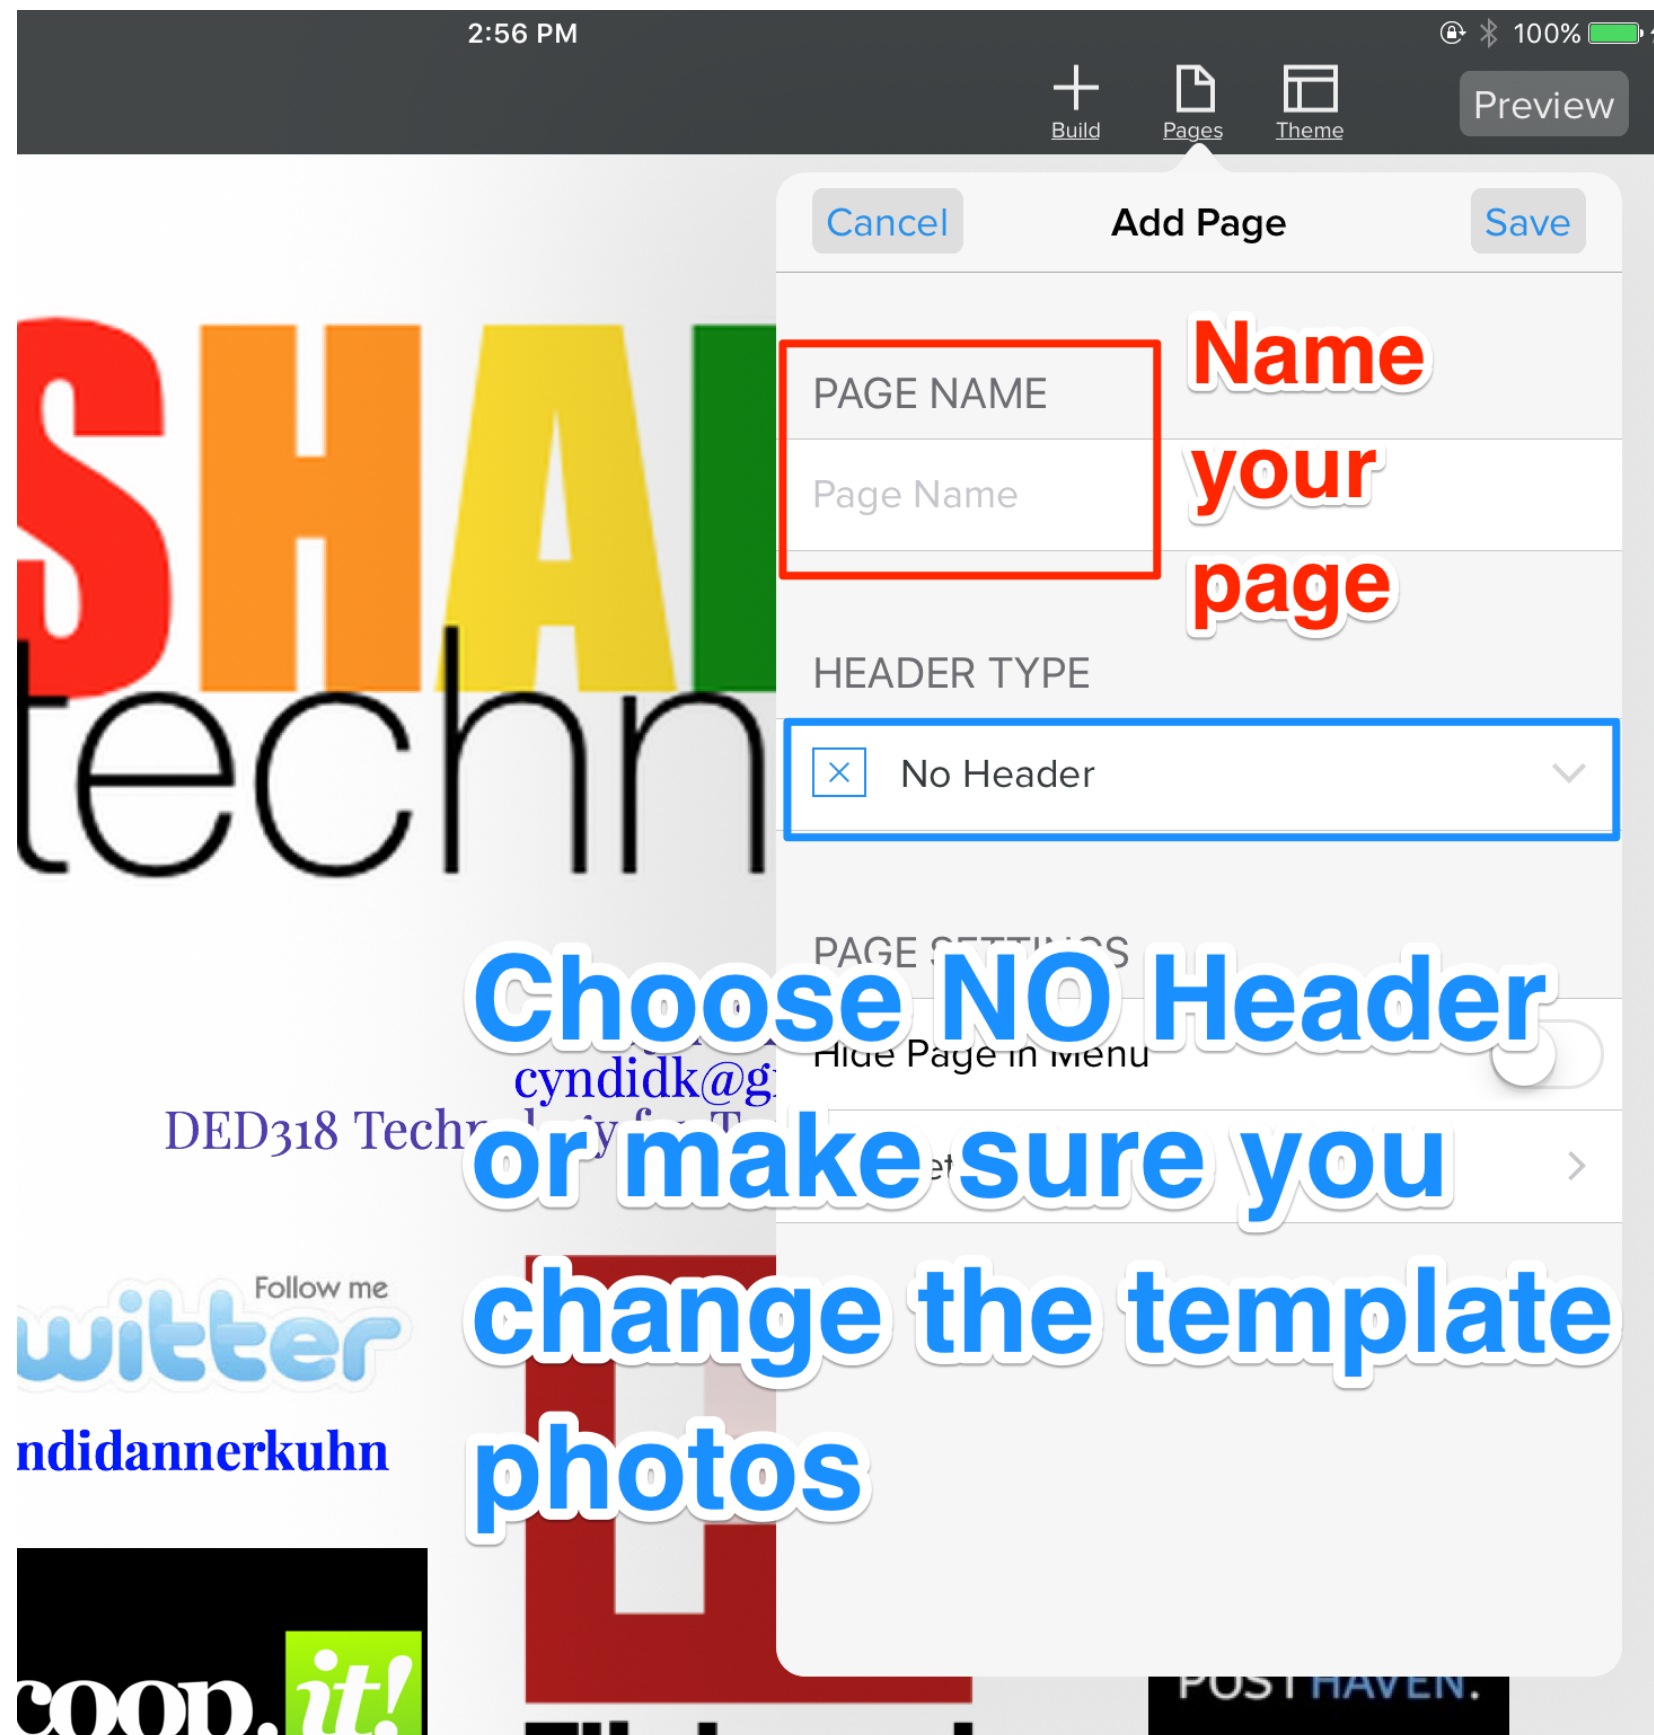

Name your page,
and select
NO HEADER

If you do not choose NO HEADER, make sure you change the template photo
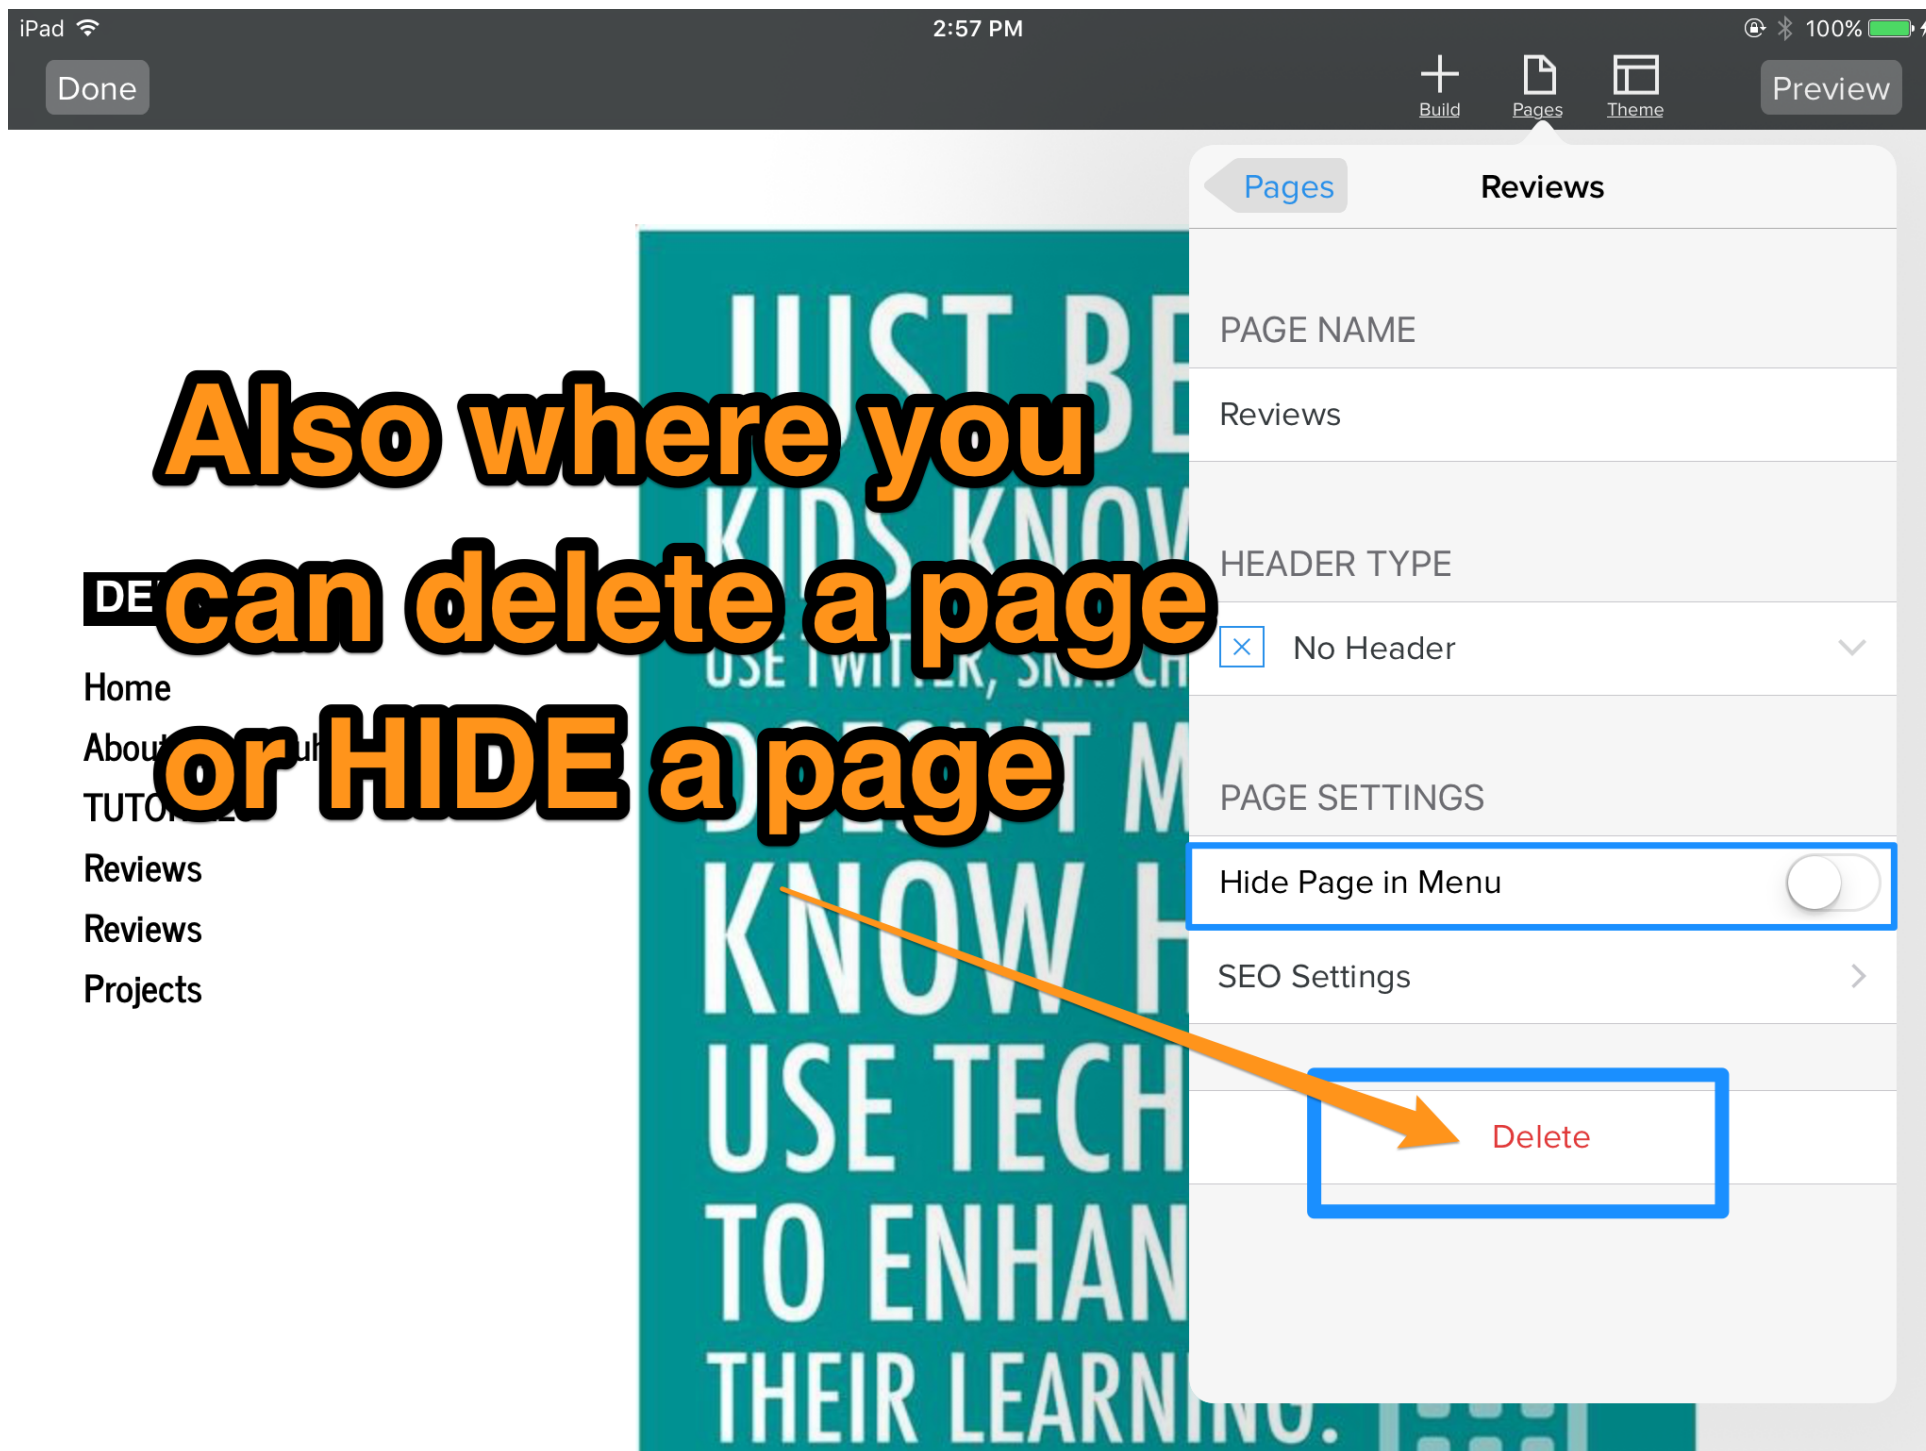

Also where you can delete a page or HIDE a page

You can also DELETE pages from here and hide pages you think you might want later.

PUSH in to make it a sub-page under the category.

For class it will always be under Reviews or under Projects.
